

Ancrum V Tweed bank

Sunday 19<sup>th</sup> Nov

A frosty morning brought on the last game of the season for the under 10's. Without their manager, Paul Samson, they bravely took to the park under the watchful eye of Brian Barrie. Old hand Henry Leask played a superb game in goal and kept his defence line of Elliot Stewart, Paul Domingo and Robbie Yourston under control. The game started with captain Thomas MaCaulay and Robbie Mackenzie in midfield ably supported by the Wardrop brothers. Up front were our regular front line of Craig Hall and Jack Skeet who gave us 4 fine goals after the superb through balls from the rest of the team. Subs who rolled on during the game were Angus Barrie, Jordan Gregg and last but by no means least Gary Munro who all played some superb football to give the crowd an entertaining match. The team will be on winter break till early March when they return to training under the control of Paul Samson who has taken them undefeated through the season.

Attendance; 18
