

Ancrum 10`s v Selkirk

Friday 19<sup>th</sup> October

7pm KO

A mild night under the floodlights brought these two teams out for their second match of the year under the watchful eye of Brian Barrie, a good crowd had gathered to watch this game at Bridge End Park.

First in to goal was Angus Barrie who made some fine saves from the beginning, some superb football came from the Slingsby brothers Nathan and Kieran who gave 100% to the game. Some superb shots at goal came from Lochie Webb who was supported well on the wing by Ryan Briggs during the game.

Jordan Gregg played some brilliant football in the midfield position to feed the ball through to Calum Henderson who supported Robbie Yourston well in his role of striker where he netted the only goal for the home team on the night.

In the second period of the game John Feeney came on as goalie and again made some superb saves towards the end of the night. The game was supervised by "Bear" Thomson who carried out his duties excellently.

The final score was 2-1 to the visitors.
