

Ancrum Under 8's visit to Melrose

On a bright sunny Saturday morning 13 younger members of the Under 8's squad from Primary 1' and 2 travelled to Melrose for a series of friendly games against their opposite numbers from Melrose Primary

Melrose had kindly set up 4 pitches and provided six teams as opposition for the Ancrum boys. The two Ancrum teams were able to play six games each with some of the boys experiencing their first taste of wearing an Ancrum shirt

A good crowd of parents travelled to the games and supported the boys in their ventures cheering on from the sidelines. After the games Melrose kindly provided refreshments. Thanks to all at Melrose and we look forward to the return fixtures.
